

Newsletter - June 10

New telephone number—01235 767083

Welcome back, we hope you all had a good half term. and . The pre school still need volunteers to join the committee. There is a AGM been held the 14th June where we need all your support, without a full committee the pre school can close so please support us , speak to Sarah (manager) or Nicky (chairperson).

Over the last couple of months we have been fund raising , thank you to all the parents that supported us . As a charity we have to raise the money to buy all the toys and craft for the children. Last term we bought 5 new bikes some lovely wooden small world play Airport , space station, hospital and some outside toys.

Last term the children did some wonderful displays about space and of course aliens in there pants , please come in and have a look around.

This term our theme is People who are important to us , Family, Police, doctors , and the last week we will be doing teachers to get the children who are moving on an insight of school .

.In the next few weeks we will sorting some dates out for the children who are moving to oak class to do visits .

Key worker

Each child has a key worker who works with the child alone or within a group . This enables us to monitor there progress , which is used to keep their profile records up to date . The profiles are sent to the school the child will attend, parents are welcome to look and make comments on these at any time.

Six areas of learning

All the staff work hard to ensure that all the children's abilities and progression is catered for . Planning all the activities is important to ensure all the learning skills at every level is thought out , so all children are able to enjoy and progress in their developmental skills
